United Nations, New York:

A team of committed co-workers, led by Lisinka Ulatowska, main representative of the IPS at the UN in New York, has been working for the past years to promote the idea of the Commons, within the Commons Cluster.

In Geneva, Rudolf Schneider, Secretary-General of the IPS, participated in numerous meetings organised by organisations of the UN family. Below is the detail of these meetings.

Both Lisinka Ulatowska and Rudolf Schneider also took part in Rio+20, the UN Conference on the Environment and Sustainable Development, in Rio de Janeiro, Brazil, and in the UNDP Global Consultation on Sustainable Development in Bonn, Germany.

In addition, the IPS supported the initiative for a right to peace launched by the Spanish Society on Human Rights Law (AEDIDH) and supported by the government of Costa Rica.

Above all, we seek to introduce spiritual energies, in particular the energy of the heart, in such a way that it is understood and not mistaken as religious or sectarian.
