**THIRTEENTH ANNUAL CONFERENCE AND GENERAL ASSEMBLY
WESAK 1994, 24 APRIL
REPORT ON THIRTEENTH YEAR OF ACTIVITY
30 APRIL 1993 - 24 APRIL 1994**

**ACHIEVEMENTS IN
the 13th year of activity**

- Our list of addresses has been updated and classified according to the 10 seed-group structure, so that addresses of groups in specific fields of activity can be searched out with greater ease. Our networking services are thus improved.
- The poster on "The New Group of World Servers" in English has been reprinted, with minor corrections, in large and small formats, French, German, and Italian versions of the poster, both in large and small formats, have also been printed. A small format edition of the Russian version has been printed, thanks to the help of IPS Italy. Many friends in Brazil, France and Switzerland have contributed to make this project a reality.
- Several contacts have been made with business people, in view of creating bridges between the business world and far-sighted movements in all fields.
- Our cooperation with the University of the Seven Rays in Europe has led us to participate in a project of creation of an esoteric school in France.
- The "Wissenschaft der Rechten Menschlichen Beziehungen" and the "Wissenschaft der Sieben Strahlen" in German, that had run out of print, have been reprinted.
- Active participation in conferences, such as the 46th Annual International Conference of the World University. Participation in group meetings, such as the gathering of the International Boards of Advisors of World Peace University and Radio for Peace International in Costa Rica.
- Workshops on "The Role of Switzerland in the New Age" in Lucerne

The IPS, founded in Geneva in 1981, is an international, non profit-making organisation dedicated to promoting constructive cooperation in all fields of human activity. It is a non-governmental organisation on the Roster of the Economic and Social Council of the United Nations.

(organized by the Foundation Unity of All Life) and Zurich.

- Zhukovsky Days '93, an international conference on the theme: "Creating a Conflict-Free Society Through Education in Global Consciousness" which was organized by the City Council of Zhukovsky, near Moscow, in cooperation with the IPS Geneva and Moscow.
- Creation of new branches of the IPS: IPS-Zaire, Nordic Information Center for Planetary Synthesis in Denmark, contact group in Colombia (Misiones Unidas).

PLANNED FOR the 14th year of activity

- Thanks to our contacts in Moscow, we may have the opportunity to help set up study programmes at the University of Moscow. Our part in the project

consists of supplying names of experts on new approaches to healing, psychology, economics, politics and education.

- To participate as speaker in the 3rd international conference on the 10 seed-groups in England, in May 1994; to participate in the international conference "Towards a World Governing of the Environment" in Venice, in June 94; to participate in the Forum "The Urals and the Planet 94" in Russia, in July 94; to participate in the international conference "The Subconscious Mind and the Spiritual Union of Humanity" in Moscow, in September 94, which we are helping to organise; to participate as speaker in the 5th Esoteric Link-Up conference in Tel-Aviv, Israel, in October 94; to participate in the meeting of the international board of advisors of Radio For Peace International in Costa Rica, in January 95.
- To continue the regular IPS activities, as until now: participation in conferences and seminars, giving upon invitation seminars and talks on 10 seed-groups, publication of newsletters with enclosed esoteric studies, networking.
- To organize and catalogue on computer our lending library according to the 10 seed-group structure. To catalogue on computer our archives on group activities throughout the world according to the 10 seed-group structure. These two steps are part of a "Documentation Center on the 10 seed-groups" project, to be set up in Geneva, Switzerland.
- To print the poster on "The New Group of World Servers" in Russian (large format).
- To continue to reprint our publications in German that have run out of print, and to translate and publish our studies in other languages as well.
