- Creation of new branches of the IPS: IPS-USA in Miami, IPS-Bangladesh, contacts in Peru and Madagascar. The IPS-Moscow in Russia has been awarded status of international non profit-making, non-governmental organization by the Russian authorities.
- Creation of a triangle of IPS with the World Information Clearing Centre and the International Association "Interaction", both with headquarters in Geneva.
- Thanks to a donation from our friends in Italy, we have been able to replace our 20 year old electric typewriter by a new electronic typewriter of the same make. We have also been able to buy an ink jet printer (Stylewriter II) and a new program that allows us to print lists of selected addresses, so that we can start at last to create a data base on group activities on the basis of the 10-seed group structure.
