

**ELEVENTH ANNUAL CONFERENCE AND GENERAL ASSEMBLY  
WESAK 1992, 16th MAY  
REPORT ON ELEVENTH YEAR OF ACTIVITY  
28th APRIL 1991 - 16th MAY 1992**

**ACHIEVEMENTS**

in the 11th year of activity

— We have continued to spread on a global scale the information material of the IPS, as well as to a certain extent those of the World Teacher Trust. This included reprinting of "The Science of the 7 Rays" and "The Science of Right Human Relations" in German, which had run out of print.

— Printing of leaflets on the Great Invocation in Russian and Italian, thanks to the commitment of our President, Jean-Marie Mauler.

— Reprinting by our co-workers of "Misiones Unidas de Buena Voluntad", in Venezuela, of the studies on the 10 seed-groups in Spanish, in booklet format.

— Printing by co-workers of IPS-Italia of the poster on "The New Group of World Servers" in Italian.

— Opening of a branch of the IPS in Belgium by our friends of the TheLman Institute in Antwerpen, under the name "IPS der Lagerlanden". They will gradually publish in Dutch the series of booklets on the sciences; they have already published the set of studies on the 10 seed-groups in Dutch.

— Intensification of contacts with Eastern Europe, in particular the USSR, where an IPS group is developing well in spite of the present difficulties in the former Soviet states.

— Participation in group meetings and conferences to put forward the idea of the 10 seed-groups and its importance for the New Group of World Servers today.

— Extension of our broadcasts for Radio For Peace International. Two interviews were made with Ms. Lisinka Ulatowska from the World Citizens' Assembly as interviewer. Production of the first broadcast version of the newsletter, in cooperation with Ms. Sanda Freeman-Kowalchek.

— Workshops and lectures on the 10 seed-groups in Germany, England, Austria and Switzerland.

— Beginning of a course on the 7 rays in Lucern, in cooperation with the Foundation "Unity of All Life" and the Working Group for Peace-Building.

— Organization of the lending library, and cataloguing on computer its English section.

— Participation in the meetings of the Preparatory Commission of the United Nations Conference on Development and Environment, in cooperation with the World Citizens' Assembly. In addition, the IPS has received observer status to and been officially invited to participate in UNCED.

PLANNED FOR  
the 12th year of activity

— Participation in the United Nations Conference on Development and Environment in Rio, as well as in the parallel '92 Global Forum of non-governmental organizations in Rio, in cooperation with the World Citizens' Assembly.

— Giving lectures and workshops on the 10 seed-groups in Venezuela, Brazil, Namibia and Madagascar.

— Preparing for Zhukovsky Days '93, an international conference on the theme: "Through planetary synthesis to a conflict-free society" that is being organized by the City Council of Zhukovsky, near Moscow, in cooperation with the IPS. Further journeys to Russia are planned for this year.

— Creation of new branches of the IPS: Venezuela, maybe Brazil, according to proposals made by co-workers in these areas, which are now under study.

— To organize and catalogue on computer our lending library.

— To catalogue on computer our archives on group activities throughout the world according to the 10 seed-groups.

— Reprint of the poster on "The New Group of World Servers" in English, with minor corrections, and maybe also in a smaller format.

— Continuing to reprint our publications in German that have run out of print, and translating and publishing our studies in other languages as well.
